

# BELCO MOWER SERIES

## HIM350 - 3.5T ATM Industrial Mower Trailer

### Description

The Belco Heavy Industrial Mower Trailer is designed for the safe and efficient transport of ride-on mowers, compact machinery, and associated tools. Engineered to handle demanding work environments, the trailer features integrated equipment racking and secure lockable storage to keep everything organised and secure on the move. Spring-assisted loading ramps and a wide, stable deck allow for quick, straightforward loading and unloading, making it ideal for contractors, councils, and maintenance crews operating across varied sites.

### Key Features

- Suits ride-on mowers and commercial landscaping equipment (Kubota, Toro, Hustler or similar)
- Purpose-built racking system for secure transport of:
  - 3x Whipper Snippers or brush cutters
  - 1x Backpack Blower
  - 1x Backpack Sprayer
  - 1x Small Toolbox
  - Road Safety Sign Rack
- Wide, flat deck for stable machinery positioning and easy loading
- Spring assisted loading ramps for safe and efficient operation
- Rear stabiliser legs for added safety during loading/unloading
- 6x Weld on Machine Tie Downs
- 4x Flush Mount Tie Downs for a Push Mower
- ADR compliant for Australian road use

## Safety Features

This trailer is equipped with spring-assisted loading ramps to reduce manual handling strain, along with rear stabiliser legs to prevent movement during loading. Heavy-duty tie-down points and purpose-built equipment racking keep machinery and tools secure in transit, while lockable storage boxes contain loose items safely.

## Operational Benefits

Designed for efficiency, the trailer features a wide, stable deck and easy-access layout for quick loading and unloading of mowers and equipment. Integrated racking and storage keep everything organised and within reach, reducing setup time on site. The durable galvanised construction and smooth towing suspension provide long-term reliability, making it ideal for contractors and crews working across multiple locations.

## Design Considerations

The design focus was on building a durable, low-maintenance platform with lifecycle efficiency in mind. Galvanised finishes, rugged suspension, and simple, safe and effective mechanical systems reduce service costs and operating times, while integrated storage, safety systems, and load security features extend product lifespan, ensure compliance and improve operator confidence.

## Specifications - 3.5T ATM Tandem Axle Heavy Industrial Mower Trailer

### DIMENSIONS

Design Standard	AS3990
Weld Standard	AS1554-Part 1 (SP)
Deck Length	~4,000 MM
Deck Width	~2,100 MM
Weight (Tare)	~1,250 KG

### CAPACITY

Maximum Payload	*2,250KG
ATM	3,500 KG
GTM	~3,425 KG
Tyre Size	195/14
Tyre Pressures	450 kPa
Brakes	10" Parallel Electric Brakes

\*impacted by options taken that change TARE weight

### CONSTRUCTION

Chassis	125 PFC Structural Channel
Drawbar	125 PFC Structural Channel
Cross Members	Various
Sides	N/A
Ramps	Alloy Mesh - Spring Assisted
Floor	2.1mm Steel Checker Plate
Rear Legs	2 x Drop legs

### RUNNING GEAR

Suspension	Rock Roller Load Share
Axles	50mm Sq Parallel Bearing (3.6T)
Springs	4T - 9 Leaf
Rims	14" Polished Alloy LC6
Tyres	195/14 Light Truck
Wheel Nut Indicators	Optional Upgrade

### GENERAL

Lighting	Multi Volt LED/Marker Lights
Coupling	50mm Ball Electric Hitch
Safety Chains	13mm Rated on Belco Berg lock
Trailer Plug	7 Pin Flat
Spare Wheel	Included
Mudguards	2.1mm Checker Plate
Wheel Chocks	Included
Handbrake	Mechanical Override
Break Away	Battery Equipped
Jockey Wheel	1 x Sidewind Drop leg (1T)

### OPERATIONAL

Attachment Racking	Safety Sign Rack Witches Hat Spike Whipper Box to house 3 units Storage for 1 Backpack Blower Storage for 1 Backpack Sprayer Mount for 1 Pole Saw Passenger Side
Tie Downs	6 Rated Tie Downs Additional 4 for a Push Mower
Safety Additions	Wheel Chocks DNOTV Signage

### WARRANTY

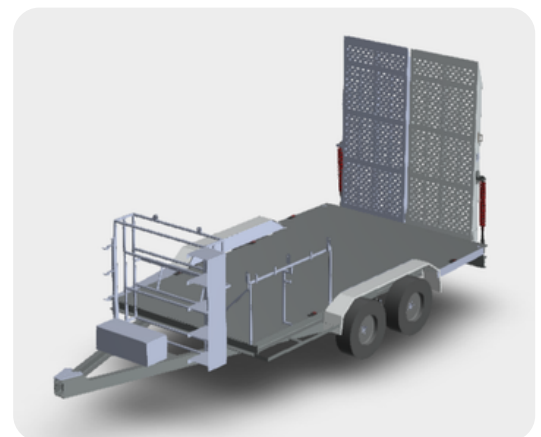

**7 Year Structural** – Comprehensive coverage on the chassis and drawbar for total peace of mind.

**2 Year Body** – Coverage for Belco-manufactured body components like ramps, gates, walls, and frames.

**1 Year 3rd Party Components** – Manufacturers warranty, with Belco's support through the claim process.

**Return-to-Base Support** – Fast, efficient warranty service at Belco's Brisbane facility.

**Designed for Work** – Warranty applies equally to private and commercial use.
