

# BELCO MOWER SERIES

## HCM300 - 3T ATM Tandem Axle Tipping Mower Trailer

### Description

The Belco 3T Tandem Axle Tipping Mower Trailer is a heavy-duty, purpose-built solution designed for transporting zero-turn mowers, push mowers, and associated equipment in one secure and efficient setup.

Featuring a hydraulic tipper, separate ride on housing, enclosed mower storage, and a split tailgate with ramp access, this trailer is built to streamline loading while protecting equipment.

### Key Features

- Suits ride-on mowers and commercial landscaping equipment (Kubota, Toro, Hustler or similar)
- Purpose-built 2 Shelf storage box for secure transport of:
  - Fuel, Oils & Lubricants
  - Small Tools and Accessories
- 2400 mm enclosed tipping box at the rear of the trailer
- 400mm high trailer sides fitted with a 800mm high enclosed cage
- Roof Mounted Tie Rail on all four sides of tipper box
- Separate 1300mm Deck for Ride-on Mower with Alloy mesh ramp
- Enclosed front mower box to house 2x 21" push mowers in front of each other
- Whipper Box to house Whipper Snipper & Pole Saw

## Safety Features

This trailer incorporates a hydraulic tipping system to reduce manual handling, along with a split tailgate and integrated ramps for controlled and safe loading. Heavy-duty tie rails and purpose-built equipment storage keep machinery and tools secure in transit, while lockable storage boxes contain loose items safely.

## Operational Benefits

Designed for maximum efficiency, the trailer allows operators to transport zero-turn mowers, push mowers, and tools in one organised unit. The hydraulic tipper and multiple access points—including rear and side loading—reduce setup time and improve workflow on site. Dedicated storage such as the enclosed mower box and side oil storage compartment keeps equipment protected and easily accessible, while the heavy-duty construction ensures long-term reliability with minimal maintenance.

## Design Considerations

This trailer has been engineered to combine versatility with durability, featuring a segmented deck to suit both zero-turn and push mowers, along with integrated storage solutions to reduce clutter and improve organisation. The galvanised chassis provides long-term corrosion resistance, while the layout prioritises safe loading, balanced weight distribution, and ease of use for high-frequency commercial applications.

## Specifications - 3T ATM Tandem Axle Heavy Commercial Mower Trailer

### DIMENSIONS

Design Standard	AS3990
Weld Standard	AS1554-Part 1 (GP)
Deck Length	~3,800 MM
Deck Width	~1,800 MM
Weight (Tare)	~1,600 KG

### CAPACITY

Maximum Payload	*1,400
ATM	3,000 KG
GTM	~2,840 KG
Tyre Size	195/14
Tyre Pressures	450 kPa
Brakes	10" Parallel Electric Brakes

\*impacted by options taken that change TARE weight

### CONSTRUCTION

Chassis	100x50x3mm RHS
Drawbar	125 PFC Structural Channel
Cross Members	50x50x2.5mm RHS
Sides	1200mm Enclosed
Ramps	Alloy Mesh
Floor	2.1mm Steel Checker Plate
Rear Legs	N/A

### RUNNING GEAR

Suspension	Rock Roller Load Share
Axles	50mm Sq Parallel Bearing (3.6T)
Springs	3.5T - 8 Leaf
Rims	14" White Steel Ford
Tyres	195/14 Light Truck
Wheel Nut Indicators	Optional Upgrade

### GENERAL

Lighting	Multi Volt LED/Marker Lights
Coupling	50mm Ball Electric Hitch
Safety Chains	13mm Rated on Belco Berg lock
Trailer Plug	7 Pin Flat
Spare Wheel	Included
Mudguards	2.1mm Checker Plate
Wheel Chocks	Optional Upgrade
Handbrake	Mechanical Override
Break Away	Battery Equipped
Jockey Wheel	1 x Sidewind Drop leg (1T)

### OPERATIONAL

Attachment Racking	Whipper Box to house 3 units 1300mm Fixed Section with ramps Enclosed 2x push Mower Storage 2000x300x600 Storage Box
Tailgate	2400 mm Hydraulic Tip Box Split into two sections: 400mm removable tailgate 800mm swing door
Tie Downs	Tie Rail mounted to top of walls U brackets welded to inside of box

### WARRANTY

**7 Year Structural** – Comprehensive coverage on the chassis and drawbar for total peace of mind.

**2 Year Body** – Coverage for Belco-manufactured body components like ramps, gates, walls, and frames.

**1 Year 3rd Party Components** – Manufacturers warranty, with Belco's support through the claim process.

**Return-to-Base Support** – Fast, efficient warranty service at Belco's Brisbane facility.

**Designed for Work** – Warranty applies equally to private and commercial use.
